g) Elected members of academic staff

The numbers of elected members of academic staff per faculty may vary to provide for uneven numbers of Heads of Schools/Institutes so that there is in total an even number from each Faculty over all membership categories.

1) Constituency One: Nine elected members of the academic staff from the Faculty of Humanities and Social Sciences
Dr Joseph Cronin [History] [2024]
Dr Sadhvi Dar [Business and Management] [2021]

Dr Michael Page [Institute of Health Sciences Education] [2024]
Dr Amitha Ranauta [Institute of Dentistry] 2023
Professor Anwar Tappuni [Institute of Dentistry] [2021]

3) Constituency Three: Thirteen members of the academic staff from the Faculty of Science and Engineering
Following the establishment of both a new Council and Senate membership structure with effect from the start of the 2010-11 academic year, fifty per cent of elected candidates will serve for a period of three years, and the remaining fifty per cent for the full four year term to minimise the need to elect the complete constitute at the same time and ensure some membership continuity. Where 50% or less of the vacancies for each constituency have been filled, elected candidates will automatically be given a four year term of office. In the event of an uneven number of candidates in each constituency, the number assigned a four year term will be rounded up [e.g., 5/9 vacancies in the Faculty of Humanities and Social Sciences had been filled, so all 5 candidates have been awarded a four-year term of office. When a subsequent election is held, the remaining four candidates will be assigned a three-year term of office. See paragraph 2.7 of the election Rules for further information. 12/13 vacancies have been filled for the Faculty of Science and Engineering and 7/12 candidates were drawn by lot by the Returning Officer to determine who would be assigned a four year term of office.
