1.1.1. assisting those who need extra financial help to meet particular costs which are not being met from statutory (or other) sources of funding
1.1.2. providing emergency payments for unexpected crises
1.1.3. intervening in cases where a student may be considering leaving Queen Mary because of financial problems

Overview 2021/22 provision

1.2. FAF cannot be used to assist with Tuition Fee costs.

1.3. FAF will be reviewed on a regular basis and QM reserves the right to amend the Fund eligibility criteria or to cease the fund at any time.

1.4. Applications for assistance from the Fund will be administered by the Bursaries, Grants and Scholarships Office (BGS). The fund will be monitored throughout the academic year, however it should be spent in full before the end of the academic year, further applications to the fund may not receive any payments if there are insufficient funds remaining.

1.5. The BGS Team refer to the National Association of Student Money Advisers (NASMA) Higher Education Support Fund Guidance 21/22 where appropriate to establish consistency in making assessing applications and making awards.

2. Eligibility

If they are eligible they must have taken out full maintenance funding from the UK government and have made use of any other funding available to them. This ensures that
our limited funds are allocated to students who have already maximised all sources of funding available to them.
