Direct PLUS Loan	
Sallie Mae Loan	
Total	

I acknowledge that my disbursement dates will be in line with those detailed on the QMUL US Loans webpages, and are subject to the following conditions:

- You must be making satisfactory academic progress*
- You are continuing to study at least half-time
- You are not in the USA**
- You have not violated any federal compliance regulations

You will be advised by email that a disbursement is due. When you receive this email you may contact us to reduce or cancel the disbursement.

These are the dates QMUL will request the money from the US Department of Education, the first payment date is dependent upon completing full enrolment for the 2021/22 academic year. Please ensure that you have sufficient funds to cover the period between your arrival and your first payment. While we try to get the payment of your maintenance element to you as quickly as possible please ensure you factor in the time it takes to transfer money internationally each term.

QMUL uses Western Union to pay the money directly into your UK bank account, if you do not provide your account details then you will be issued with a UK Sterling cheque. Disbursements will be made in £GBP, the exact amount will vary as it is dependent on the exchange rate at the time of disbursement.
